About  
US

EAST  
FLAG

East Flag and Display, your Professional and Reliable Partner.

Focus on the German market for 12 years.

With a wide range products for flags and banners, beachflags, pop up gazebos, SEG frames and lightboxes, counters, tension tube banner stands and fabric walls and so on, we're able to offer you one stop for professional products and reliable services.

We have collected plenty of knowledges for materials, color matching, printing, confection... not only the quality of products plays a very important role in cooperation, but the following series of communications, replies, follow up and order processing will maintain a long-term relationship.

We pride ourselves on listening carefully to our customers and responding by developing innovative products and efficient service that win their trust and today's market opportunities.

"Made in China" has become part of the world, although our product quality has to be improved, our service has been praised by all our customers. We naturally realize this point in our daily contact. When we are sitting together and talking face to face, we become more and more trust each other.

In conclusion, we have three core values that guide our daily activities:

1. Do the right thing, try our best.
2. Being easy to work with, flexible and reliable.
3. Always go for better, better quality, better services for better and happy life!

We're looking forward to establish a long-term cooperation with YOU!

Sincerely,  
East Flag Team
